Who do you see impacting the school?

"Mr. Jack Holmes" - Mitch Carpenter, Grenada student

"I see Mrs. Graham impacting the school because she is a very strong woman, she helps a lot of students and she is a person to look up to. I admire her for her attitude and the impact that she has on her classes." Carla Ross, Grenada Center

"I see the teachers impacting the school because they are in the trenches where the battle is being fought." Bill Gressett, Ridgeland Campus

"I see the faculty impacting the school because they make sure that we learn and they treat us like adults." Tammeria Gatney

"I see PTK impacting the school because they do a lot of stuff like fundraisers." Mary Kraft, Ridgeland Campus

"The teachers at this school are dependable and it is a good place to go for a first time or returning student entering college." Felicia J., Ridgeland Campus

"I see the members of Focus Factor impacting the school because I think the members of this group can have a huge impact by sharing Christ with others and setting an example for other students. I think this movement could change Holmes campus." Molly Beth Jenkins, Ridgeland Campus

"I see everyone impacting the school because without everyone here, our campus/program would not run as smoothly." Stephanie Blue, Ridgeland Campus

"I see events and activities impacting the school because the events are what bring people out and the activities keep the people's attention. It also makes them want to come back." Kervontae Jones, Goodman Campus

"I see Linda Alexander-Jones impacting the school because she is always helping and doing what she can for others." Valerie Hollins, Goodman Campus

"I see Tina Boyette impacting the school because she makes activities available to the students all the time." Jessica Buchanan, Goodman Campus

"I see the book club making an impact on this school because it gives you something to be active in, even if you are not in any other clubs or organizations, this book club makes everyone feel involved." Zerquita Owens, Goodman Campus

"This school is not too big so you can get very involved! You get more one on one time with teachers, and get to know many students." Molly Beth Jenkins, Rid.

"This school is different from others because it is like a big family, everyone is eager to help everyone else and they are very loving." Valerie Hollins, Goodman

"HCC is like a home away from home and they care about your needs." Jessica Buchanan, Goodman

"I would describe this school as a place where you can achieve all your goals and have a chance to succeed." Mitch Carpenter

"This schools' teacher-student ratio is very small, they are willing to get down on a personal level with the students." Carla Ross, Grenada

"HCC excels in education and this makes it different from other schools. HCC is pretty and big, everyone is helpful. There are always activities going on." Kendall Vance, Goodman

"Being a student at HCC has given me more opportunities than I had thought. I have enjoyed living on campus. It has been an experience of a lifetime and I plan to have even more fun in the future. The classes are small and you have a lot of one-on-one time with your teachers which is a blast. I would not change this experience for the world." Courtney Richardson

a thousand words: **HOLMES** community college

by Courtney Robertson

"Worth a thousand words" means just what it says: a thousand words would be just the beginning in expressing the value of our education and experiences at Holmes. Holmes campuses have a wide variety of people, student activities, clubs, academics, and majors. You can never go wrong with Holmes. No one word can sum up the meaning of our theme "Worth a Thousand Words", because in reality it is a thousand words. Just think about all the things Holmes offers.

by Kervontae Jones

"Worth a thousand words" means don't judge the book by its cover. Don't judge from the outside but what's in the inside: fun, wonderful, and unique things. Worth a thousand word means that this institution is indescribable; nothing can explain it; you have to see it and live it to believe it. The concept of the book is for the pictures to tell the story of the year, along with all the expressions and thoughts of this institution's students, faculty, and staff.

Above photos: Students enjoy hanging out with friends both outside and inside Ridgeland buildings.

Above far Right: Jasmin Gordon & Nicholas Prowell work a puzzle together at Adcock Library.

Right: The area outside the front of Madison Hall is usually a popular hangout between classes.

the Ridgeland Campus

Holmes Community College

Since Holmes' location in Madison County opened its doors in 1985, vice president, Joe Adams, has watched the Ridgeland Campus grow and thrive. Ridgeland has the highest number of students, all commuters.

The McGowan Workforce center is also a part of the Ridgeland Campus. This premier facility continues to meet the increasing demands for business and industry training.

In addition to the variety of academics, Ridgeland houses programs in funeral service technology, paralegal, criminal justice, and EMT.

A Day at the Ridgeland Campus by Harry Highlander

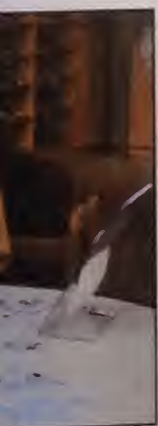

A typical day starts with getting to school. Some drive far but most are just around the block. Perhaps even a few walk or bicycle. The curved lot up front is always bustling with people. There is a desperate rush to find a parking space before classes.

Students are always hitting the books hard in the library, looking up this or researching that. One can hear constant pecking away at keyboards or students joking around. There is a quiet murmur of everyone finding answers to one question and raising three more.

Every student has found where they enjoy to pass the time surrounding classes. There are many places to gather and wait for the first or last buzzer of the day. This is the time to make new friends and enjoy time with old ones, not to mention make a study group or two. Between classes the students hang out at the new student union, play cards, eat great food from the new deli, study, or just talk. Some students go outside, sit around the tables, listen to music and enjoy each other's company.

There are many types of students on the Ridgeland Campus: traditional and non-traditional students, and some take classes both online and on campus. It seems we Ridgeland students have more to do than time to do it in.

Everyone enjoys all that the new seasons bring. Amanda Lindsey, Student Activities Director, does an outstanding job of bringing the campus together to celebrate the changing seasons and holidays. As for sports, spring has golf in full swing, and during the fall the soccer team make goal after goal. What excitement, coming together for one cause: to win at school and in life.

Above photos: Ridgeland students enjoy spending time together in the student union, Ridgeland Hall lobby, and Adcock Library.

Left: Students trek across campus to get from one class to another.

Right: R to L: Sontana Allen, Hannah Swoope, Ryan Austin, Emily Hendeson, and Jonathan Cowans attended the college fair in the fall.

the Goodman Campus

Holmes Community College

Founded in 1912 and named for its home county base, Holmes County, Holmes' Goodman location is the main campus. Its scenery is truly captivating and memorable, from the beautiful lake and walking trail, to the historic McDaniel Hall. The Chapel on the Hill sits in the middle of the campus, surrounded by class buildings, sports facilities, and dormitories. Student housing allows many students to come live here during the week and attend classes, truly a great experience for Holmes students.

Although at this campus is set in a small town atmosphere, there is never a dull moment. Fine Arts events, plays, music shows, intramurals, and club events provide weekly entertainment. Students enjoy basketball, softball, baseball, tennis and football games. Student activities director, Tina Boyette, also ensures that there is always something to do: such as movie nights, dances, fall fest, spring fling, and more.

Students spend time between classes a number of places. Dorm students sometimes retreat to their

room for a nap, snack, or study session. Others play cards, shoot pool or study at the Lorance Student Center, or "the Can." The steps of McDaniel Hall, the Library, and the Grove are also favorite places where students congregate throughout the day.

The Goodman Campus houses a variety of Career Technical courses, as well as a vast array of academics. Special to the Goodman Campus, here you will find classes such as sculpture, cosmetology, painting, ceramics, collision repair technology, and HVAC (Heating, Ventilation, and Air Conditioning Technology).

Students agree that the teacher-student ratio is in their favor, and the faculty and staff want them to succeed and receive a first-class education. The Goodman Campus' growth ensures that this institution will continue to make a huge statement among the Community and Junior college scene.

Above: Tameka Talley and Kervontae Jones enjoy spending time out by the lake.

Right: R to L: Jody Bell, Jobeth Kendall, Kelly, and Ginger Pullen enjoy being the next upcoming nurses!

Below: Mr. Holmes poses with Grenada Center Ladies.

the Grenada Center

Holmes Community College

Jack Holmes, vice-president of the Grenada Center, has led the staff and students since the location's opening in 1985. Located in Grenada County at the northernmost section of Holmes' nine-county district, the Grenada Center is moments away from Grenada Lake, 90 miles south of Memphis off I-55.

The Grenada Center has beautiful modern buildings and a plethora of places for students to spend time between classes. Students hang out, study, and check e-mail between classes in the Career Center. Most students may be found studying or spending time with friends at the lounge. Students also enjoy eating food from Tricia's Deli. A beautiful courtyard is encompassed by the buildings where students can sit and relax. The new state-of-the-art library facility is also a popular location for students.

The center also functions in the community's expansion for incoming and existing industry by coordinating programs to meet special training requirements. The center further serves as a meeting place for a variety of educational-type workshops, seminars, and conferences. The "Forum," with a seating capacity of over seven

hundred, provides a conference site for numerous groups. This year, the Grenada Arts Partnership sponsored performances by Ballet Magnificat and the United States Navy Band which was an amazing show and a once in a lifetime event.

Grenada Center students also have amazing student activities. Tracy Herring and Michelle Burney, both counselors, ensure that when Grenada holds a function, it is first class! Other campuses recognize how amazing the Decades Mixer, Thanksgiving Feast, and Spring Fling are. This year a Variety Show adds to the center's excitement.

The center offers a wide range of liberal arts courses. The Associate Degree Nursing program and a Practical Nursing program are offered at the Grenada Center. Special to the Grenada Center are the following career tech programs: Machine Tool Technology, Forest Technology, Manufacturing Technology, Electronics Technology, Surgical Technology, Conservation Law Enforcement Technology, and Computer Programming Technology.

Above: Trent Winder, right, looks on as Alexander Crowson, left, holds a recycling bin as Mary Bishop adds to it.

Far Right: Nan Sykes puts trash into a recycling bin at her office.

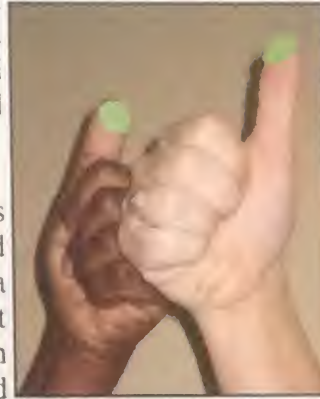

HCC goes GREEN!

For the duration of the 2008-09 school year, one major goal for Holmes has been to 'go green.' From the first day of school until graduation, students, staff, faculty, and administration strived to conserve energy and recycle.

Everyone's sense of humor and incentives for 'going green' aided in making this a success. At the first faculty meeting in Grenada, staff showed their support of 'going green' by showing green thumbs when Dr. Boyce began speaking about the issue.

Efforts were boosted and supported by campus clubs. Phi Theta Kappa chapters in Ridgeland, Goodman, and Grenada continued and increased recycling bin usage. At Fall Fests, contests were held and themes were developed in support of 'going green.' Signs were posted on all campuses about what people could do to 'go green.'

Staff was reminded that turning off computers while not in use would conserve energy, but save money. It seems that this mission has not only been a success but also brought the Holmes family closer together.

The following "Green" tips are provided by PTK.

- Give eco-friendly, reusable bags, ranging from lunch bags to canvas totes for groceries.
- Wrap gifts with practical materials such as fabric, canvas gift bags, reusable boxes, newspaper comics, or recycled wrapping paper.
- Buy clothing or linens made from renewable resources.
- Get a Smart Strip Power Strip electrical plug that automatically turns off when you forget ... perfect for TV, computers, etc.
- Send an e-card or reuse old cards by cutting out the front, writing on the back, and sending as a postcard.

Far Left: Molly Beth Jenkins, left, and Kelly Langford hug a tree and promote kindness to the earth.

keeps getting better

On the Ridgeland Campus, major renovation of the technology building was completed with the building being transformed into a student center/bookstore and nursing classroom and offices. The facility was finished just in time for students to begin using the facility in the fall. Work was completed on a parking lot near the D.P. McGowan Workforce Training facility. The planning and building process is underway for a new 25,000 square foot facility which will house science and math classes, and construction is underway on a new maintenance building.

The old student lounge, in Madison Hall, has been converted into a math lab and three offices while the former bookstore is now a classroom. Classrooms at the center have been painted and several offices renovated. Landscaping has also been added to the campus.

At the Grenada Center, a major exterior face lift was accomplished with the entire facility being painted and new landscaping added. Upgrades have been made to the parking lots as well. The construction that has been going on has been the black topping of our parking lots and some reconstruction in Rosemarie Poyner's Admissions Office. She now has a new counter and her office is more convenient for the students that need to see her. There has also been some much needed improvements in some of the classrooms and it will make the teachers jobs so much easier.

On the Goodman Campus, major remodeling has taken place on the top floor of the Learning Resource Center. Its interior was entirely remodeled, and three new state-of-the art classrooms were added to accommodate the expanding student base. The classrooms are equipped with computer presentation systems including document cameras and projection equipment.

The softball and baseball facilities have improved greatly over the last year. At the softball stadium, a brick restroom/concession stand was constructed as well as new stands and press box. The dugouts at the facility have also been bricked and construction has begun on the softball dressing rooms in right field. Bricks were added to the dugouts and concession stand/restroom facility at Charlie Donald Field, the baseball field. A brick backstop was built with netting in the fall and metal bleachers similar to the ones at the softball stadium were being built in spring 2009. Visitors to the Goodman Campus will notice a new welcome center/security booth and new landscaping at the campus entrance on Montague Street. In the fall 2008, security lighting was going in as well as an emergency alert system, where students/staff members would be notified of weather or campus emergencies. Also, a Dazzler! practice facility was erected.

Above Left: The Dazzlers! enjoy practicing in their new facility.

Above Middle: the Branch Gym got a new floor.

Above Right: The Grenada Center gained a new property with the purchase of this pharmacy.

Left: Goodman Maintenance exhibit that landscaping has been a big part of all campuses.

CLASSES

Above: Tiffany Lowe, left, and Sheilah Hewitt lift a stretcher.

Right: Students pay attention in class.
l to r: Julie Littleton, Jessica Freeny, and Brad Johnston.

emergency medical technology

By Jasmin Gordon, Nicholas Provell, and Sarah Grant

The Emergency Medical Technology (EMT) Department offers two areas of concentration: EMT-Basic and EMT-Paramedic. Students who complete either course are granted certificates of completion and are eligible to take the National Registry certification exam. Upon completion of the EMT-Paramedic program, students are highly encouraged to complete their Associate of Applied Science degree. Both options are offered on the Grenada and Ridgeland campuses.

Mark Galtelli joins Yancy Brewer, Jeremy Benson, and Michelle Skelton as Holmes EMT staff as director for the 2008-2009 school year. Mark has an extensive education and career history including extensive experience as a Flight Paramedic. Galtelli is a founding member and past Secretary of the Board for Mississippi Prehospital Professions Association. A Mississippi native, he returns from Wilmington, NC, where he was Assistant Chief of EMS and Director of Critical Care Transport at New Hanover Regional Medical Center. Galtelli holds a bachelor of science degree from the University of Mississippi. He has been EMT-Paramedic Certified since 1994. He has also written a number of publications and made several national and state presentations.

Galtelli brings a wealth of knowledge and experience to Holmes. "Mississippi has some of the finest prehospital healthcare providers in the nation. It is an honor to represent this profession and interact with these professionals on a daily basis. My career is now allowing me to educate the next generation of EMS providers who will hopefully carry on the legacy of providing quality health care to those who need it the most," says Galtelli.

What do the students say?

"I applied for paramedic school at Holmes because the paramedic program is the best in the state. I am from Louisville, MS, and travel 212 miles 3 nights a week, which winds up being 12 hrs minimum on the road a week. I like that our instructors Mark, Yancy, and Jeremy push us to do our capacity without overwhelming us. I am glad to be a part of this excellent paramedic program." Rosa Kanagy, EMT student.

"Mark Galtelli has a genuine love for Emergency Medical Services which shows every day in his teaching. He strives to produce quality EMT-Ps that will provide the highest level of prehospital emergency care to all those requiring the service and remains a key player in the facilitation of the most up-to-date medical trends. Galtelli is a tremendous asset to EMS and the citizens of Mississippi." Jereme King, EMT student.

"When I first started, I didn't feel like I was learning anything, but now I'm able to see things from a different perspective. I'm able to understand what is going on with my patients. Mark, Yancy, and Jeremy are great teachers." Tiffany Lowe, EMT student.

"This program well equips any paramedic to provide the best care possible to our community. Our instructor Mark, he's a good guy." Joey Sanders.

Above left: Tiffany Lowe, left, and Rosa Kanagy practice CPR on a dummy.

Above: Mark Galtelli prepares a dummy for practice.

Left: Jereme King with his only friend.

Participants must pass a drug test, pass a Department of Transportation physical, have a high school diploma or GED and be at least 18 years of age. Students must like outside work and have no fear of heights, which is apparent in these photos!

Linemen Training

A consortium between the Holmes Community College Workforce Development Department and four other entities has created an electrical lineman training program at Holmes' Goodman Campus. Holmes Community College, Yazoo Valley Electric Power Association in Yazoo City, Delta Electric Power Association in Greenwood, Twin County Electric Power Association in Hollandale and Killen Contractors, Inc. are teaming up to train students to become apprentice linemen.

Classes began on Aug. 18, with 14 students at a work area off Highway 14, just west of the Goodman Campus. The 16-week class accumulated 608 clock hours. Under Yazoo Valley's leadership, an entranceway has been built along with a pavilion, which connects to a mobile classroom. Students also have a training area set up with climbing poles. "Yazoo Valley has been instrumental in it," Holmes project coordinator Earl Sisco said.

Yazoo Valley manager of general services Ken Smith said Yazoo Valley has been trying to get a school started for 10 years. "The main reason we're involved is because there is a shortage of linemen," Smith said.

After completion, students will be able to: drive commercial vehicles with a Class A license; explain all aspects of the safety manual; make connections of meter loops, transformers and other equipment; assist with framing and installation of poles and apparatus on the ground; read and understand general information on the

REA specification book; assist in the burying of cable and other related work; operate vehicles and equipment (bucket trucks, digger derrick trucks, forklifts); differentiate between an energized and de-energized structure and recognize appropriate hazards; make basic connections and disconnections; check voltage/amperes.

Clarence "Bull" McBride of Durant is teaching the classes along with Baynon Jones from Yazoo Valley. McBride and Jones both have extensive training in lineman issues. McBride is a recent retiree of Entergy after 30+ years and Jones has been with Yazoo Valley for a number of years as well.

Students will also receive computer training along with first aid/CPR and team work/communications training.

The participating electrical cooperatives and contractors will interview and recruit the participants who successfully complete the training program. The program expects 100 percent placement of graduates. Graduates can expect to earn over \$15 per hour starting pay with a comprehensive benefits package. After four to five years of training, a journeyman lineman could make \$25-28 per hour.

For more information about the program or if you are interested in participating, please contact Laura Bigbee at (662) 472-9088 or lbigbee@holmescc.edu.

below: Holmes Community College's first ever linemen class.

academics: voices of Holmes CC students

Jake Wooten

- **Jake's pick:** Visual Basic
- **Why?** because it's fun and easy
- **Instructor:** Billy Morgan

Jeffrey Phillips

- **Jeffrey's pick:** College Publication (yearbook), Grenada
- **Why?** because I actually have the chance to help make the school yearbook. I get a chance to see how things are done first hand.
- **Instructor:** Melissa Love

Andrew Jordan

- **Andrew's pick:** Western Civ II, Ridgeland
- **Why?** Mrs. Jenkins is funny and always keeps class interesting by cracking jokes. I like learning about history, and the large size of the class makes for interesting discussions.
- **Instructor:** Kay Jenkins

Abbey Wooley

- **Abbey's pick:** Marriage and Family, Ridgeland
- **Why?** I love Mrs. McCoy and it's a great group of students. Many of my friends are also in the class, and Mrs. McCoy keeps it interesting. It's a cool class with a cool topic.
- **Instructor:** Cynthia McCoy
- **activities or topics covered:** We discuss types of love, ways to keep a marriage on track and ways to keep our children on the best path.
- **How do you think this class will benefit you in the real world?** Well... hopefully I will get married and have a family some day. I do feel that I've learned some helpful information to have a successful marriage. Through personal stories of Mrs. McCoy and others in the class I've learned both best and worst case scenarios, and hopefully I can learn from them.

Joe David White shows his Ridgeland class how to dissect a creature.

Serena Bivens

- **Serena's pick:** English comp., Grenada
- **Why?** because she loved her teaching and understanding of the English language, she helped her to better and make sense of writing, spelling, grammar, and essays, she is a positive person and loves to teach. Serena has learned a lot from her and she uses what she has taught her better than she had before.

Jasmin McClain

- **Jasmin's pick:** Biology, Grenada
- **Why?** because I enjoy Mrs. Nipper teaching me all the natures of life and the many things that evolve around the world. She is a great teacher and she makes science fun to learn.
- **Instructor:** Kathy Nipper

Kervontae Jones

- **Kervontae's pick:** Job search skills
- **Why:** It's helping me find a job for the future and it's beneficial to me. I love the energy that Mrs. Aldy has, the way she interacts with her students, the help she provides, the speakers she brings in, and discussions on how to prepare for the real world.
- **Instructor:** Wanda Aldy

Tameka Talley

- **Tameka's pick:** College Algebra, Goodman Campus
- **Why?** Because Mr. Guest makes the class fun. Math is my favorite subject.
- **Instructor:** Josh Guest
- **Topics:** complex numbers, linear equations, inequalities, absolute value, formulas, and graphing.
- **How do you think this class will benefit you in the real world?** Because we use math in everyday life, so it is an important factory.

Waunita Roberts

- **Waunita's pick:** Accounting II, Goodman Campus
- **Why?** Students get to interact with each other, play games for points, and that helps students learn better. If we need one on one help, Ms. Bergeron is there to help us. She is fair to her students.
- **Instructor:** Cheri Bergeron
- **Activities and/or topics covered:** we play the game Proactive Expression that has questions from chapters in our book.

Jessica Buchanan

- **Jessica's pick:** Sociology Goodman
- **Why?** I learned a lot of interesting things that I don't know. I love that Mrs. Cheatham goes into detail about the topics discussed in class.
- **Instructor:** Laurie Cheatham
- **Topics covered:** Piaget
- **How do you think this class will benefit you in the real world?** Because I will know how to interact with people.

right and below: Josh Guest enjoys teaching his classes using the parmethian board.

right: Dan Edwards leads his Goodman history class.

left: Grenada biology students prepare for their next lab assignment.

Kaleigh Williams

- **Kaleigh's pick:** Human A&P, Ridgeland
- **Why?** Mrs. Hindsman makes class fun to learn and gives you the chance to voice your feelings and questions. We talk about everything having to do with the human body and more! I am going into the medical field, and I know it will help me in the future because she teaches from the very beginning and shows how to make learning fun-not all that boring stuff! She brought out the explorer in me!
- **Instructor:** Sandra Hindsman

Sarah Grant

- **Sarah's pick:** Public Speaking, Ridgeland
- **Why?** He has a conversation with you rather than lecturing you. He teaches you about life and communication and not just making you speak in front of people. He gives valuable life lessons that you will be able to use not only in big speeches or interviews but in regular everyday conversation.
- **Instructor:** Grant Staples

left: Lee Aldrige speaks to his Grenada class.

right: Grant Staples informs his Ridgeland oral communications class of their next assignment.

academics: voices of Holmes CC students

Janna Walton

- Janna's pick: Creative Writing Class on Goodman Campus
- Why? It is an intellectual boiling pot, where the most creative and colorful people I have ever met come to explore their writing capabilities. I love the freedom of the classroom; that precious freedom of wanting to learn. That is real freedom. That is being educated, and understanding how to think. The alternative, the default setting is coming to class, memorizing seemingly needless facts and leaving. But we don't learn like that in this class. I love the ability to openly express myself in my essays, poems, short stories and plays. It's amazing that the students in this class actually like coming to class each day. It persuades them to want to learn.
- instructors: Billy Wilson/Sandra Measles
- activities or topics you cover in the class: We had to plan, create and put on plays, we wrote stories on topics that our instructors chose, making us really dig deep into ourselves to write a piece on a topic you may have never dreamed of writing about.

How do you think this class will benefit you in the real world? I learned in this class how to be creative, resourceful and imaginative. I learned how to work closely with others and I developed confidence in my abilities and what I could achieve.

Ashleigh Anderson

- Ashleigh's pick: Computer Applications, Goodman
- Why? because of all the different things she learns on the computer
- instructor: Robert Harris

Jonathan Cowans

- Jonathan's pick: Choir, Goodman
- Why? We get a chance to sing a lot of interesting songs and get a chance to learn a lot about notes and pitches.
- instructor: Joel Hill

right: Matt Morse confirms that art classes on the Goodman Campus are favorites of many.

right: Dianne Allgood teaches her Ridgeland algebra class.

left: Robert Harris teaches his Computer Science class in Goodman.

right: Ridgeland students know that Holmes' classes are fun!

Tyre Bell

- Tyre's pick: Algebra, Ridgeland Campus
- Why? Because I like Math and I like to challenge myself. What I love about this class is the Parmethian Board. It's a new and fun way of learning.
- Topics: graphing, solving equations, inequalities, etc.
- I think the class will help me with my nursing field: measuring medicine and other ways.

Ashley Mikell

- Ashley's pick: Intro to Business, Blackboard (online class)
- Why? She is learning about starting up a business which will help her in her new future. It will help her with her career in business.
- instructor: Michael Upton
- Topics: Economics, The Economy, Accounting, and Etc.

Kymberly Harris

- Kymberly's pick: Intermediate Algebra, Ridgeland
- Why? It's the Fast Track (8 week) night class. Even though it is 3 hours, I get to take two levels of math in one semester. We can cover five to six lessons in a week, and have the test that next week. It goes by extremely fast, but I can still learn what is needed.
- instructor: Valerie Patterson
- this class covers basic math, and anything needed to know for college algebra.

Krystal Wallace

- Krystal's pick: Psychology, Ridgeland
- Why? The teacher is great. The information is interesting. It helps me understand the different types of people I could come in contact with everyday.
- topics covered in the class: depression, child discipline, different types of psychology

Phenesha Love

- Phenesha's pick: College Algebra on the Goodman Campus
- Why? Because I love math and it is my favorite subject. It's fun and I like the way Ms. Miles breaks down the work so that I may understand it.
- instructor: Angela Miles
- class topics: Linear Equations, Quadratic Equations, Slope Formulas
- How will the class benefit you in the real world? Because in the future I want to be an accountant which requires knowledge of math.

above: Cindy Duncan's Grenada Center piano class.
below: Grenada Biology class.

above: Tracey Clair's Ridgeland Campus calculus class stays busy and attentive.

Jaleesa Pickens

- Jaleesa's picks: Piano and Calculus II on the Goodman Campus
- Why? Piano is her favorite because she's learning piano which she been wanting to do since she was a child. Calculus is a fav because she claims to be a math geek and loves it. Piano is an activite class, with learning music notes; in Calculus we learn how to intergrate and take the derivative. She has fun while learning in these classes.
- instructor: Donna Banks for piano and Josh Guess for Calculus
- future plans: She plans to be a math teacher and wants to play the piano for a church.

April McMullen

- April's picks: Music for Elementary Teachers on the Goodman Campus
- Why? Because I'm learning new things about music and how to teach a class, and how to put music into the subjects. I'm having fun while learning.
- instructor: Joel Hill
- future plans: I plan to become an elementary teacher so this will help me a lot on the way.

Callie Golden

- Callie's pick: Business Law on the Goodman Campus
- Why? Because I enjoy debating and discussing the laws and business ethics of our country. In his class I love that I can speak openly about my opinions and they may or may not be challenged by my peers, but that is what helps me to learn. I am learning also to apply what I learn, not just memorize alot of facts.
- instructor: Jeff Edwards
- activities or topics you cover in the class: Business ethics, the Constitution, and even cases going on in the world right now such as the World Com scandal and Blagojevich's impeachment.
- How do you think this class will benefit you in the real world? I must learn the law so that I can apply it in the real world when I am a paralegal or attorney myself one day. How can I state my opinion on something if I don't know what the law says?

Our President, Dr. Glenn F. Boyce

Under the direction of Dr. Glenn Boyce, enrollment continues to rise and Holmes has continued to provide a great educational experience for its students as well as the community. With the students' best interest at heart, Dr. Boyce holds goals for the institution that will never compromise the classroom.

Despite a five percent cut during the 2008-09, Dr. Boyce remained committed to the many capital improvement projects at all locations of Holmes Community College as well as the implementation of new programs and activities for all students.

On the Ridgeland Campus, major renovation of the technology building was completed with the building being transformed into a student center/bookstore and nursing classroom and offices. A new maintenance building is in progress. Landscaping, painting, and renovations continue.

At the Grenada Center, a major exterior face lift was accomplished with the entire facility being painted and new landscaping. Upgrades have been made to the parking lots as well.

On the Goodman Campus, major remodeling has taken place at the Learning Resource Center. The softball and baseball facilities have improved greatly over the last year. The playing surface in Frank Branch Coliseum was remarked and metal retractable bleachers have been installed.

Additionally, Goodman Campus received a center/security booth, new landscaping, security lighting, and an emergency alert system. Immediate plans call for the size of the bookstore in the Lorange Student Center to be increased.

Academically, a scholarship honor group, HolmesPlus, began this year. Holmes plus encourages students with a high ACT math subscore of 23 or higher or an ACT subscore of 24 or higher to attend Holmes. In addition to room and board, Holmes Plus recipients are guaranteed acceptance into Holmes Leadership Institute, as well as a plethora of academic opportunities.

Dr. Boyce has also continued his Leadership Institute, formerly made up of PTK students, but now includes many other Holmes organizations such as Student Government, Student Support Services, etc. The select group of students is learning different leadership styles and learning how to be more effective leaders.

In the spring, Dr. Boyce traveled to Washington to discuss Holmes Community College with the U.S. Senators and Representatives, and he returned with some good news. He was able to visit directly with Senators Thad Cochran and Roger Wicker as well as Representatives Bennie G. Thompson and Travis Childers. His trip's purpose was three-fold: 1) to develop point contacts for our Washington relationships; 2) to receive an update on the stimulus package and its impact on our operations; and 3) to ask for a direct appropriation for assistance on completing the technology needs of our instructional classrooms. Holmes' standpoint seemed well received.

Under Dr. Glenn Boyce's leadership, Holmes continues to grow as a first-class institution consisting of students, staff, faculty, alumni and friends.

Left: Steve Caldwell, Steve Diffey, Austin Taylor, Andy Wood, Doris Belk, Coach Kenny Dupont, and Dr. Boyce honor the late Dewitte Belk.

Outstanding PTK pose with VP Steve Caldwell.
L to R: Tonda Beck, Caldwell, Bonnie O'Neal, and Chris Prevost.

Graduation standouts with VP Steve Caldwell. L to R: Joseph Creel III, Marcia Brown, Christina Hill, Amanda Self, Caldwell, Bonnie O'Neal, Megan Beard, and Danielle Roos.

Graduation 2008

Dr. Wayne Stonecypher, retired Executive Director of the Mississippi State Board for Community and Junior Colleges, told Holmes Community College graduates they should be proud of Holmes as well as the community college system in Mississippi.

A 1963 graduate of Agricola High School in Lucedale, Dr. Stonecypher delivered the 80th commencement address on May 16 in Frank Branch Coliseum on the Goodman Campus. Stonecypher, who attended Southeastern Junior College in Laurel, graduated in 1965 with an associate of arts degree.

"You have graduated from an outstanding institution that is a part of an outstanding community and junior college system, the oldest in the nation," Stonecypher said.

"What we do to help others may be the most critical accomplishment we make in life in order to be successful," he added. "This can be accomplished in our jobs, our private lives, or our churches. It is not necessarily the big things that gain publicity or fame, but taking advantage of the day-to-day opportunities to reach out with a kind word or deed to make life better for someone else."

The valedictorian was Joseph Creel III. The salutatorians were Christina Hill, Marcia Brown, Bonnie O'Neal, Danielle Roos, Amanda Self and Megan Beard.

Outstanding Phi Theta Kappans for 2008-09 were Chris Prevost, Kappa Alpha Chapter (Goodman Campus); Tonda Beck, Alpha Mu Beta Chapter (Grenada Center); and Bonnie O'Neal, Alpha Lambda Sigma (Ridgeland Campus).

Hunter Shackelford received the M.C. McDaniel Award.

Hunter Shackelford was the recipient of the M.C. McDaniel Award

Dr. Stonecypher delivers the commencement address.

HOMECOMING

Homecoming this year at Holmes was unlike any other. The Goodman campus was busy with a lot of activities. The "Batman" theme pumped up the campus all week long with dress-up days.

On homecoming day, the baseball team honored the late Dewitte Belk for his dedication with a ceremony. The grove was full of students, faculty, alumni and friends eating catfish and chicken while listening to the steel band. The Connection! gave an amazing rendition of 'Thriller' in McDaniel Hall, choir performed a number in the chapel. There was an amazing art display in the library with paintings by art instructor, Jerry Harris. The softball team hosted an alumni softball game.

Before the big game, the parade and pep-rally were a big hit. Next thing we knew, it was time for the big game. The Bulldogs defeated the Ms. Delta Trojans with a score of 28 -12.

gorgeous gals glam up for an evening in goodman

Kelly Langford was named Most Beautiful during the annual Beauty Review at Holmes Community College in Frank Branch Coliseum on Monday, Nov. 3.

The top five included Allyson Davis, Lesley Fulton, Kelly Langford, Miranda Campbell and Sarah Smith.

The top ten included Allyson Davis, Abbey Wooley, Molly Beth Jenkins, Juliana Spence, Lesley Fulton, Kelly Langford, Romy Abboud, Melanie Hargett, Miranda Campbell and Sarah Smith.

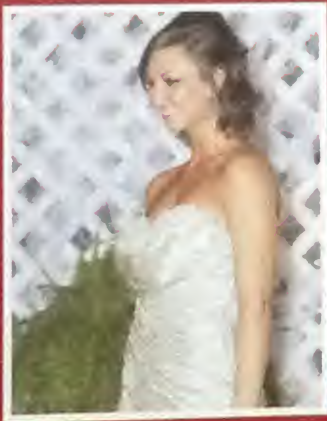

Davis, Wooley, Jenkins, Spence, Fulton and Langford all attend classes at Ridgeland. Smith, Hargett and Campbell attend classes at the Grenada Center and Abboud

attends the Goodman Campus.

Langford is the daughter of Kevin and Leigh Langford and is a sophomore on the Ridgeland Camp. She is a graduate of Madison Central High School. Currently at Holmes, she serves as president of the Student Government Association on the Ridgeland Campus. As a freshman, Kelly was a freshman beauty and a freshman homecoming maid. Kelly was voted freshman class favorite and is a recipient of the dean's scholarship. She plans to obtain a doctorate in physical therapy.

Recruiter Leslie Spell served as emcee for the pageant.

RIDGELAND CLUBS

CLUBS @ HOLMES

M.O.S.A.I.C.

M.O.S.A.I.C. (Multi-cultural Organization for Students who Achieve, Inspire others and Challenge themselves) is a new organization on the Goodman Campus that is sponsored by the TRiO Student Support Services (SSS) Program.

M.O.S.A.I.C. hosts campus-wide events such as Toys for Tots, "Lights, Camera, Fashion" and the Troop Campaign. In January 2009, members attended the Southeastern Region TRiO Conference in Memphis, TN. The new, yet highly active organization, also participates in The College President Leadership Institute.

SSS is funded by a U.S. Department of Education grant. Its goal is to provide opportunities for academic development, assist students with basic college requirements, and motivate students toward the successful completion of their college education. Membership benefits include peer and faculty tutoring, financial aid counseling, cultural activities and transfer trips to senior college. Students must apply for membership and are selected into the program based on federal guidelines.

Focus Factor

Focus Factor is a religious organization on the Ridgeland Campus. It's a place to make friends, eat lunch, and build a lasting relationship with our God. Although some come for the free food, they stay for the fellowship; people often learn something and come back.

Sponsors for Focus Factor are Darleen Dozier, Grant Staples, and J.R. Hall. These staff members speak about God's word and every day issues students face. The sponsors often get religious speakers to address interesting topics and share their own knowledge and experiences.

Right: See You at the Pole was observed during the fall semester. Focus Factor spread the word about this event.

Steel Band

Bringing the sounds of the Caribbean to Holmes is the Steel Band. The Holmes Community College Steel Band began in 1995. It is a full steel drum ensemble with a rhythm section. The Holmes Steel Band has performed all over the state of Mississippi, the South and even in the Caribbean Islands of the Bahamas.

There are two Steel Band groups; the first consists of first-year Steel Band members who have never played a steel pan before. The other group is made up of students who have played a steel pan for at least one school year. The Steel Band makes numerous performances each year on campus and throughout the Holmes District. The group is currently under the direction of Jeffrey Brown.

Steel Band member April McMullen says, 'As a member of Holmes Community College Steel Band, I have had a blast these past two years. Steel band is a reggae style but we play all types of music from "Sweet Child of Mine" by Guns and Roses, to "Smooth Criminal" by Michael Jackson. Steel band is a great group to join and a great place to have fun and make many enjoyable memories.'

Pictured above: Elizabeth Thomas plays with the steel band.

Phi Theta Kappa

by Jana Walton

The chapters of Phi Theta Kappa at Holmes Community College have kept themselves busy since this year began and will continue to do so. The Kappa Alpha chapter of Phi Theta Kappa on the Goodman campus has kept particularly busy as its members organized events and projects that helped the campus and the community. PTK worked a little behind the scenes and a little in the spotlight. Kappa Alpha began this year ready and willing to delve into several campus projects. PTK sought and invited contributory ideas from many different campus organizations with the President's Leadership Institute, which is a year-long class led by our college president, Dr. Glenn Boyce. It is designed to strengthen leadership, scholarship, service, and fellowship on campus.

PTK's Environmentally Awareness Presentations allowed members to help to educate elementary school students on the importance of being environmental conscious and helped them prepare for the upcoming Mississippi Curriculum Test. Phi Theta Kappa has also started its Leadership Dialogue program to get our campus community involved in thoughtful discussions about aspects of leadership. Continuing their campus recycling project and their go green intuitive, PTK dedicated an entire day to picking up litter around the campus, affectionately called the "PTK Trash Day." These are a few of the many goals that PTK has successfully fulfilled this year and last year.

Upcoming PTK projects include: Relay Rally, Extreme Makeover: Holmes Edition, and The Biggest Loser/"Let's Go Walkin' Mississippi" weight lost campaign.

Throughout the planning and initiation of these events, Phi Theta Kappa has affirmed its raison d'être to listen to the voices of those who care deeply for this organization and who will, by ownership, invest in its future. Only through collaboration can Phi Theta Kappa become the chapter that we wish to be.

SPORTS

Bulldog Football

The Holmes Community College Bulldogs ended the 2008 campaign with four wins winning two out of the last three games.

The Bulldogs defeated East Central, 37-21; Northeast, 30-7; Mississippi Delta, 28-12; and Southwest, 27-12. The Bulldogs fell to Pearl River, 23-16; East Mississippi, 52-14; Coahoma, 28-14; Itawamba, 33-29; and Northwest, 49-12. Pearl River, East Central and Southwest were the non-division games for 2008.

Defensively, the Bulldogs were led by Derrick Bobo, who finished fourth in the state with 92 tackles and was named First Team All-State. He was also a MACJC All-Star. Tim Cox finished second in sacks in the state with 10 and had 62 tackles. He was named Second Team All-State and an MACJC All-Star. Other leading tacklers were: Terrance Nelson, 79; Drew Dennis, 65; and Jamariey Atterberry, 56. Other defenders receiving postseasons honors included Atterberry, who was Second Team All-State; and Trell Hagans, Alex Schofield and Dennis, Honorable Mention All-State.

Offensively, the Bulldogs finished fifth in the state in rushing with 334 carries for 1446 yards and 12 touchdowns. The Bulldogs were seventh in passing with 132-of-225 for 1,627 and 16 touchdowns.

Quarterback James Landry finished sixth in the state going 111-of-200 for 1,516 and 15 touchdowns. He was second in efficiency with a rating of 134.9.

Landry was Second Team All-State. Landry was the leading rusher with 92 carries for 589 yards. Harry Collins had 283 yards on 68 carries and six touchdowns.

David Hampton was the Bulldogs leading receiver with 341 yards on 24 receptions and four touchdowns. Ronnie Tubbs had 21 catches for 327 yards and six touchdowns. Hampton and Tubbs were Second Team All-State.

Bulldog Soccer

Seventeen newcomers joined seven returnees on the 2008 version of the Holmes Community College Bulldog soccer team this season.

The Bulldogs finished the season with a record of 4-11. Because of the large number of newcomers, Head Coach Matt Convertino described the season as a rebuilding one.

"The sophomores particularly midfielder Manny Garcia of Clinton, defender Chris Lambert of Brandon, midfielder Dustin Wilson of Pearl and midfielder Jason Page of Madison have done a good job showing the new players what to expect," said Convertino. "They understand more so than the freshmen what it's going to take to be successful."

"He has an extremely strong work rate out on the field," he said of Garcia. "He has done a great job showing the freshmen the tactics and intensity needed to play at this level."

Of Lambert, Convertino said, "He has been a very steady player for us both in 2007 and preseason 2008. He provides excellent leadership on and off the field."

Page is described as a great leader. "He always trains with intensity and leads by example," Convertino said.

Wilson should control the middle of the field, Convertino said. "He provides excellent leadership on and off the field."

Also returning are goalkeeper Josh Beam of Pearl, defender Austin Moore of Madison and forward Daniel Scott of Braxton. The team features transfers Alhagie Ceesay of Gambia, who played at Callaway and transferred from Meridian, and Patrick Jordan of Brandon, who played at Clinton and transferred from Hinds.

Convertino described the newcomers as blue collar players. "They are all hard-working guys," Convertino said. "Nobody really stands out. Everybody is very close on their skill level. They are skilled and good but right now many of them are learning to make the adjustments for the speed of play and the physicality."

The pace and decision-making is the difference. "The athleticism of the players they are practicing/playing against is better," Convertino said. "They are having to make better decisions with the ball."

On team are eight players from Pearl High School — Josh Beam, Andrew Black, Manny Garcia, Kevin Clarke, Thomas Moore, Steven Nelson, Michael Skaggs and Dustin Wilson. "All eight have won at least one 4A title at Pearl," Convertino said. "Everybody, even the new players have the potential to step it up and achieve what it takes to win."

Freshmen include: Will Graddy, Madison Central; Mark Downing and Zach Kennedy, Northwest Rankin; Jason Brent and Benjamin Browning, Clinton; Trey Brown, Brandon; Will Jordan, Kosciusko; Wes Price, Terry; Eric Ryan, St. Joe and Kyle Green, Madison-Ridgeland Academy.

Convertino said Trey Brown had an excellent preseason. "He reads the game from the back very well, gives good service forward and has great speed." He also added that Browning has continued to improve technically everyday in training and Downing set a new record in pre-season fitness training.

Bulldog Basketball

CLINTON — Holmes Community College Bulldog sophomore Al Graham hit two free throws with 8.6 seconds to go in the game to pull the Bulldogs within one point but the bid to make the national tournament came up short 67-64 here Thursday against the Mississippi Gulf Coast Community College Bulldogs.

The Holmes Bulldogs trailed by as much 10 points in the first half but a three-pointer by James Archie tied the game at 17 with 9:22. Holmes took the lead at 20-17 on a three-pointer by Gabe Osagie and increased the lead to as much as 10 points when Brandon Bell slammed over a Gulf Coast defender. Holmes held a 28-26 halftime lead.

After a few lead changes to open the second half, the Holmes Bulldogs held a five-point lead at 38-33 with 16:15. The teams swapped lead changes throughout the second half with the Holmes Bulldogs holding a three-point lead at 54-51 with 4:50 to go on a Javon Brown two-point shot.

Gulf Coast held as much as a four-point lead in the final three minutes of the game.

Osagie led the Bulldogs with 14 points while Jeremy Lightfoot had 10. Osagie and Graham each were named to the All-Tournament Team. The Bulldogs ended the season at 19-9.

In the prior two games to get to the finals, the Bulldogs picked up an impressive 10-point win over the Lions of East Mississippi Community College in the semi-finals and a 15-point win over the Wolves of Copiah-Lincoln in the first round.

MACJC State Tournament
Pearl River 65, Holmes 64

ELLISVILLE — The Pearl River Community College Wildcats stole the MACJC State Tournament first round game from the Holmes Community College Bulldogs as Wildcat player Timothy Ware scored with 1.1 seconds left in the game to give the Wildcats the 65-64 win.

On the inbounds play, the ball went off a Wildcat and rolled out of bounds with .6 seconds remaining. On the throw-in, a shot by Brandon Bell sailed long securing the win for the Wildcats. With the loss, the Bulldogs fell to 17-8 overall. Diamon Alexander, Gabe Osagie and Clyde Moore each had 12 points for the Bulldogs.

Regular Season

The Bulldogs ended the regular season at 17-7 overall and 8-4 in the North Division. The Bulldogs took two division games from Northeast, Mississippi Delta and East Mississippi and split with Coahoma and Northwest and lost two games to Itawamba.

The Bulldogs fell in two of three to Copiah-Lincoln and Pearl River (once in postseason). The Bulldogs split with East Central and defeated Southwest and Hinds twice. They also picked up wins over Marion Military and Mississippi Elite.

Following the season, Al Graham and Jeremy Lightfoot were named to the All-State and All-Region teams, both first teams. Damion Alexander and Graham were selected to play in the MACJC All-Star game.

Coaches Jason Flanigan and Jason Harrison Head Coach Jason Flanigan took over as head coach this season after serving as Todd Kimble's assistant coach beginning in 2005. Also, a former standout basketball player at The University of Mississippi, Flanigan was a member of the most winning senior class in Ole Miss Basketball history with 88 victories. Prior to Holmes, he was an assistant coach at Xavier University in New Orleans for two seasons. Prior to Xavier, Flanigan served as a Graduate Assistant Coach under Coach Barnes at Ole Miss, after completing his playing career. Flanigan assisted the Coordinator of Basketball Operations and helped monitor the academic progress of the players, as well as assisted in film exchange.

Beginning his first year as a Bulldogs Assistant Coach, Jason Harrison was a former standout player for the University of Mississippi and was the lone member of his senior class with the second most wins in school history with 86 victories.

Before joining the Bulldog family Jason coached two AAU basketball teams: 17 and under Arkansas Hawks and 11 year-old Arkansas All-Stars, while working for the Arkansas Democrat Gazette as a District Sales Manager for the past three years.

Jason Harrison is a Little Rock native who also played basketball for Coach Al Flanigan, Jason Flanigan's father. He graduated from the University of Mississippi with a bachelor's degree in Journalism and a minor in English.

Lady Bulldog Basketball

The Holmes Community College Lady Bulldog basketball team ran into a very tough division schedule during the 2008-09 basketball season. The Lady Bulldogs finished the year at 7-13 and 3-9 in the North Division. Holmes had a good non-division schedule by taking two games each from Pearl River and Hinds. The Lady Bulldogs fell once each to Southwest and Co-Lin.

In division games, the Lady Bulldogs defeated Coahoma twice and split with Mississippi Delta but fell twice to Northeast, East Mississippi, Northwest and Itawamba.

Kimberly Anderson and Courtney O' Briant were named Second Team All-State and both were selected to play in the MACJC All-Star game at Philadelphia.

Coach Jamilah Andrews

Joining Head Coach Ron Aldy's staff was Jamilah Johns Andrews as the new assistant coach.

Beginning her first year with the Lady Bulldogs, Andrews comes from Fort Worth, TX, where she served as an assistant coach for the Lady All-Starz whom she helped lead to a 31-5 record. The Starkville native earned her bachelor's degree in human environmental sciences from the University of Alabama in December 2002. Andrews' professional career began in September 2005 when signed with Club Baloncesto Islas Canarias team in Las Palmas, Spain. There she earned a starting position in the line-up, earned MVP for the Spanish Women Basketball League Top Division and currently holds the record as the first female to slam dunk for the team. Andrews began her collegiate playing career at Louisiana State University. LSU Lady Tigers

made two appearances to the NCAA tournament, "Sweet Sixteen" and "Elite Eight," during her tenure under the leadership of the legendary coach, Sue Gunter. Two years later Andrews transferred to the University of Alabama where she was named Co-Captain of her team. She was the only senior to start every game and averaged 11.5 points and 7.8 rebounds. During her senior season at Bama, she was rewarded as the team's best in field goal percentage, the team's leading rebounder and team's leader in blocked shots.

She is married to Carlos Andrews, who is also employed by Holmes Community College as Director of Intramural Sports. They have two beautiful daughters, Carleigh Noelle and Kelsi Delyum.

Bulldog Baseball

Five Holmes Community College Bulldog Dirtbag baseball players returned for their second season on the Goodman Campus.

Pitchers Wil Browning and Ben Hodge were joined by Jordan Brewer, Brian Higbee and Eric Wilkes for another year with the Bulldogs.

Fourteen new players joined the Bulldog squad during the 2008 campaign. Newcomers include Brandon McHenry, Mike Rutland and Ryne Smith of Madison; Travecus Coffey of Calhoun City; Tyler Powell and Bubba Cooper of Marion, Ark.; Matt Harris of Quitman; Andre Johnson of Canton; Brandon Lanier of Starkville; Kyle Mills of Winona; Stuart Morgan of Benton; Michael Pounds of Bassfield; Justin Sones of Poplarville; and Cameron White of Citronelle, Ala.

The baseball complex at Charlie Donald Field also received many upgrades since the Spring 2008 season. The dugouts as well as the concession stand/restroom building also were bricked. A brick backstop was installed with protective netting over the grandstand, which is also new. The lighting system, which had been out of service for many seasons, also came back into working order.

Assistant Coach Ryan Beggs joins Head Coach Kenny Dupont this season as the Bulldogs baseball team spring season gets underway. Coach Beggs comes to Holmes from Mississippi Gulf Coast Community College where he was the pitching coach. During his stint at Gulf Coast his team captured three South Division titles and six consecutive regional appearances. Thirteen pitchers went on to play DI, six pitchers DII, and four pitchers were drafted by Major League Baseball teams.

Beggs holds both a bachelor's degree in accounting and a master's degree in sports administration

from the University of New Mexico. Playing for the University of New Mexico, NCAA Division I, Mountain West Conference from 1993-1998, he was selected Academic All-Conference player three times.

During the summers of 1999-2000 he was the pitching coach for the Harrisonburg Turks with his team winning the Valley League Title in 2000. From 1998-2002 he was the pitching coach for the University of New Mexico, NCAA Division I, Mountain West Conference.

During his summers from 2001-08 Beggs was the pitching coach for the Wareham Gatemen of the Cape Cod Baseball League. The Gatemen captured titles in 2001 and 2002. He coached numerous pitchers who were drafted by Major League baseball.

Beggs and his wife, Abby, have a daughter, Emerson Paige Wylde Beggs, born September 22, 2008. They reside on the Goodman Campus of Holmes.

Bulldog Softball

Seven Lady Bulldogs returned during 2008-09 for their sophomore seasons. Ten newcomers joined them to play for Coaches Ricky Casey and Mandy Clark.

Returnees include: Becca Carter of Madison; Alli Parsons of Philadelphia; Beth Livingston of Grenada; Chelsea Raines of Ackerman; Kim Summers of Kosciusko; Jessie Allred of Eupora and Kayla Perry of Winona.

Newcomers include: Kristen Herrington of Madison; Chelsea McCafferty and Kandi Ray of Eupora; Carla Watson of Brandon; Katie Oldham of Ridgeland; Cody Ables and Katie Wiggers of Kosciusko; Amber Freeman and Courtney Rhodes of Puckett; and Kim Commer of Grenada.

The softball complex has received many upgrades over the last few playing seasons. A grandstand along with a restroom/concession stand complex was constructed during the 2008 season.

After the season and in early summer, the dugouts were bricked.

Construction began in late fall on a dressing room complex behind right field at the stadium.

Bulldog Intramurals

Carlos Andrews joins Holmes Community College's staff as the new Director of Intramural Sports. Beginning his first year with Holmes Bulldogs, Andrews served as an assistant coach for the Lady All-Starz basketball team in Texas. Some of Andrews' responsibilities mainly include encouraging physical fitness, social interaction and student involvement within the HCC community.

In May, 2000, Andrews earned his bachelor's degree in business administration and a financial planning certificate from the University of Alabama. Not only did Andrews excel in the classroom, but he was a valuable member of the Crimson Tide's football team where he played in every game throughout his collegiate career. At the Capstone, he played in both the Gaylord Music City Bowl and the Mainstay Independence Bowl.

A stand-out athlete, Andrews was one of the top pure safety prospects in the state of Florida. He was a PrepStar Top 100 Dream Team and Super All-Southeast Region selection and was listed as a Super Prep All-American. Carlos was the number 16 safety prospect in the nation by Rivals 100, an Atlanta Journal Southern 100 selection, and ranked the number 6 prospect in Florida.

Andrews is a Laurel, Mississippi, native and is married to Jamilah Andrews, the assistant women's basketball coach for Holmes Lady Bulldogs. Together, they have 2 daughters, Carleigh and Kelsi.

During the school year, students participated in volleyball, flag football, basketball, pool, ultimate frisbee and softball. New to intramurals this school year is disc golf.

The disc golf course, affectionately known as Rattlin' Ridge, opened in January 2009. Students named the course Rattlin' Ridge because discs rattle the chains when they go into the basket and the course is situated on ridges.

Holmes math instructor, Josh Guest, who has played disc golf for over 10 years, was instrumental in getting the sport brought to Holmes. He says anybody can play it and it's an inexpensive sport.

"It is low impact on the body," Guest said. "Anybody from three to 103 can play it." Discs cost anywhere from \$7-\$22.

Carlos Andrews

RATTLIN' RIDGE

Holmes Disc Golf Association

The concept of disc golf is the same as regular golf. You have three throws to get the disc, which weighs around 170 grams, into a basket with chains. "The disc must come to rest in the basket," Guest said. "It cannot come to rest on top of the basket."

The course currently has nine holes but two tee boxes give students a different look on the back nine. Each hole has two pin placements as well. Plans call for an additional nine holes in the near future. The No. 2 hole in the A pin placement is the shortest at 192 feet. No. 18 in the B pin placement is the longest at 483 feet.

The sport has been well received. "We have had 20-25 students play it on a regular basis," Guest said. "Fifteen of them are really serious." Guest said they have become very good. Brian Mathis, according to Guest, can throw 500 feet with little or no problem. Most other students only throw about 100 yards (300 feet).

When the students first started playing Guest loaned out discs he owned. Follett agreed to purchase discs to sell to Holmes students. Since Feb. 5, over 80 have been sold.

Guest thanked the carpentry department for help on the tee markers and the grounds crew for help in preparing the area when the holes were put in and help in maintaining the course.

Any student wishing to play should park in the softball parking lot or the lot near the intramural field.

HEADWAE. '09

Higher Education
Appreciation Day
Working for Academic
Excellence

Award recipients
Claudette Thomas (left)
& Ann Parker (right)

Ann Parker, a non-traditional Goodman Campus student with a 4.0 GPA, was the HEADWAE (Higher Education Appreciation Day Working for Academic Excellence) recipient for 2009. The instructor chosen for the 2009 recipient was Claudette Thomas, speech instructor at the Grenada Center.

Parker, a graduate of O. D. Wyatt High School in Fort Worth, Texas, was the recipient of an ACT Scholarship and has been a President's List Scholar throughout her tenure at Holmes maintaining a 4.0 GPA. She was a member of the Kappa Alpha Chapter of Phi Theta Kappa, serving the as the chapter's vice president of scholarship her sophomore year. She attended the 2008 International Convention in Philadelphia, Pennsylvania, the 2008 International Honors Institute at San Francisco State University in California, the 2008 Regional Honors Institute at Tulane University in New Orleans, and will attend the 2009 International Convention in Grapevine, Texas.

She was the recipient of the 2008 Deans & Directors Award and was inducted into the 2008 Hall of Fame at the annual awards banquet. A member of Student Support Services, she also served as the Community Service Chairperson for the organization's club, MOSAIC.

Parker's future plans are to attend the University of Mississippi, hopefully spending her senior year in their study abroad program at universities in Florence, Italy, and Syracuse, Sicily, specializing in European and Renaissance history. Upon completion of a master's degree in history, she plans to return to her family and friends in Goodman and give back to the hometown and people that have played an important role in her success.

Claudette Thomas, speech instructor at Holmes Community College's Grenada Center, was chosen the 2009 HEADWAE instructor. She has taught at Holmes for 17 years and holds both a bachelor's and a master's degree in education from the University of Mississippi.

Thomas received the Lamplighter Award in 1993 and the NISOD Excellence Award and Mississippi Humanities Council Award in 2003. She has also been involved in Grenada civic activities including Grenada Arts Partnership Council, Grenada Garden Club, New Century Club, Junior Auxiliary Life Member, and 20/20 Investment Club.

Calling Grenada her home town, Thomas has two daughters, Scarlett Flanagan Manning and Stephanie Flanagan Steed.

LAMPLIGHTERS '08

Six Holmes Community College instructors were among 49 of the top community and junior college educators in the state who attended the Lamplighters Conference, hosted by Northwest Mississippi Community College Sept. 17-19. Holmes Lamplighters for 2008 included Steve Deaton and Yancy Brewer of the Ridgeland Campus, Stephanie Burton and Christi Blair of the Goodman Campus and Cherie Pettit and Robin Douglas of the Grenada Center.

The theme of the conference, "I Am Still Learning," was taken from a quote from Michelangelo. The theme was reinforced by conference speakers during the three-day event. On Wednesday evening, participants gathered at Northwest's DeSoto Center campus in Southaven. Keynote speaker was Dr. Eric Clark, executive director, State Board for Community and Junior Colleges.

Dr. Tommie Norris, director of the Professional Entry into Practice Program, University of Tennessee Health Science Center College (UTHSC) of Nursing in Memphis, presented a test-building workshop.

Thursday evening participants traveled by bus to Tunica for a visit to the Tunica RiverPark Museum and a cruise on the Tunica Queen riverboat. Friday, the Lamplighters heard Dr. Daniel Osborne, faculty member at the UTHSC and Holmes alumnus, as he addressed the topic, "I Think, Therefore I Teach."

Northwest Vice President for Educational Affairs, Dr. Chuck Strong, conducted a session, "What the Best College Teachers Do," where instructors were divided into groups to answer the question, "What has teaching taught you."

Conference participants received personalized gifts at the event including a plaque bearing the conference theme, crafted by Northwest Tool and Die Technology instructor Jim Gilliam; a pottery coffee mug, made by retired art instructor Lane Tutor; complimentary coffee from Higher Ground; a copy of the Northwest cookbook, *Cooking Lessons*; a copy of "What the Best College Teachers Do" by Ken Bain; and a Lifelong Learner T-shirt provided by Sandy Grisham.

Lamplighters is sponsored by the Mississippi Community and Junior College Academic Deans' Association to honor top community college instructors.

Lamplighters enjoy a enriching conference
L to R: Steve Deaton of the Ridgeland Campus, Stephanie Burton and Christi Blair of the Goodman Campus, Yancy Brewer of the Ridgeland Campus, and Cherie Pettit and Robin Douglas of the Grenada Center.

Phi Theta Kappa All-Academic Team

Joy McDonald

A President's List Scholar with a 4.0 GPA, Joy McDonald was an elementary education major on the Ridgeland Campus.

She was a member of the Alpha Lambda Sigma Chapter of Phi Theta Kappa, serving as president her sophomore year. She also served as reporter for the Mississippi/Louisiana region of Phi Theta Kappa during this time. McDonald became an Honors scholar of "The Paradox of Affluence: Choices, Challenges, and Consequences" at the 41st annual Phi Theta Kappa Honors Institute in 2008.

She was a member of the Ridgeland Campus Student Government Association, serving as secretary her sophomore year. Other awards and achievements include freshman class favorite, homecoming student body maid, and the recipient of the mathematics award at the 2008 annual Academic Awards Banquet.

McDonald's future plans are to become a teacher.

Thu Tran

Thu Tran was a biological science major on the Ridgeland Campus holding a 3.92 GPA. She was a member of the Alpha Lambda Sigma Chapter of Phi Theta Kappa serving as vice president of service her sophomore year. She served the Math and Combined Sciences Club as the public relations officer and also the historian.

At Fall Fest on the campus she spearheaded a promotion of recycling water bottles and took part in gathering water bottle tops for the drawing of "green prizes." This also made a statement about the quantities of bottled water that students consumed.

As a service officer in Phi Theta Kappa she assisted with the angel tree, recycling paper, and planning future projects. Tran also read to elementary school children and participated in the "Keep America Beautiful" project by acquiring information and producing a folder of resources including videos, books, pamphlets, etc. in order to implement the project.

Her plans for the future are to become a dentist.

Jana Walton

Goodman Campus child psychologist major Janna Walton was both a Dean's List and a President's List scholar. She was a member of the Kappa Alpha Chapter of Phi Theta Kappa serving as vice president of scholarship her sophomore year. She was also a Phi Theta Kappa Sophomore All-USA nominee.

Walton was a member of Holme-Towne Players, Delta Psi Omega, Creative Writing Club and the Kappa Alpha Chapter of Phi Theta Kappa. She was also a member of the "Growl" staff and the "Horizons" staff. She was the recipient of a 2008 creative writing award at the annual academic awards banquet.

Walton served as vice president of scholarship for the Kappa Alpha Chapter of Phi Theta Kappa and was selected for the Holmes Community College President's Leadership Institute and a 2008 International Honors Institute participant. She was a student tutor, a member of the Reformed University Fellowship, Wesley Foundation, and Phi Beta Lambda. Maintaining a 3.6 GPA, she was nominated to Who's Who on the Goodman Campus.

After graduating from Holmes, Walton plans to further her education at Mississippi University for Women.

Phi Theta Kappa All-Academic Team

Ann Parker

Ann M. Parker, a non-traditional student on the Goodman campus, was a history and secondary education major. She received the ACT Scholarship and was a President's List Scholar throughout her freshman and sophomore years maintaining a 4.0 GPA.

She was a member of the Kappa Alpha Chapter of Phi Theta Kappa, served as the chapter's Vice President of Scholarship and was nominated for Outstanding Officer in her sophomore year. As a Phi Theta Kappa member and officer, she attended the 2008 International Convention in Philadelphia, Pennsylvania, the 2008 International Honors Institute at San Francisco State University in San Francisco, California, the 2008 Regional Honors Institute at Tulane University in New Orleans, Louisiana, and the 2009 International Convention in Grapevine, Texas.

Parker received the 2008 Deans & Directors Award and was inducted into the 2008 Hall of Fame at the annual awards banquet. As a sophomore, she was the student HEADWAE award recipient for Holmes Community College. A member of Student Support Services, she also served as the Community Service Chairperson for organization's club MOSAIC, where she organized and launched community service projects on campus as well as within the town of Goodman.

She graduated from Holmes with an Associates of Arts degree in secondary education and social sciences. She plans to attend the University of Mississippi in Oxford and study abroad in Italy specializing in Medieval and Renaissance European history.

Pam Boykin

A Dean's List scholar at the Grenada Center, Pam Boykin was an elementary education major maintaining a 3.63 GPA. She was a non-traditional student balancing the pursuit of an education with her husband, Frankie, a City of Grenada firefighter; and four daughters, Kaylee, 16, Kristian, 13, Kelcy, 11, and Bethany, 6.

She was an active member of the Alpha Mu Beta Chapter of Phi Theta Kappa, holding the office of historian her sophomore year. She was also active in her community, volunteering for the local Food Pantry as well as participating in activities surrounding the four daughters.

Boykin's ultimate goal consists of becoming an eighth-grade science teacher and pursuing a master's degree in order to someday become a professor at the community college or university level.

Caitlin Fisackerly

Caitlin Fisackerly was a President's List scholar with a 3.81 GPA at the Grenada Center, majoring in pre-veterinary medicine. She was a member of the Alpha Mu Beta Chapter of Phi Theta Kappa. Her project for All-USA Competition was organizing a book drive.

After graduating from Holmes, Fisackerly plans to transfer to Mississippi State University, changing her major to Biological Sciences. Upon completion of her degree at Mississippi State, she plans to enter the School of Veterinary Medicine at State and become a practicing veterinarian.

HCC Hall of Fame 2009

Romy Abboud

- biological science
- Goodman Campus Dean's List, President's List scholar, Kappa Alpha Chapter of PTK soph. yr., Ambassador fresh. & soph. yr., Student Government rep. soph. yr., vice president of service for Phi Theta Kappa, student body homecoming maid, who's who sophomore favorite, top ten beauty, recipient of a Durant Women's Scholarship and a Lexington Foundation Scholarship.

Whitney L. Arnold

- pre-pharmacy
- Goodman Campus Dean's Scholarship, Holmes Community College Marching Band, Pep Band, Ambassadors.

Mary Alldread

- pre-occupational therapy
- Goodman Campus. Dean's List scholar, President's List scholar, Kappa Alpha Chapter of PTK, Ambassador fresh. & soph. yrs., Holme-Towne players: cast member for "Little Women." Baptist Student Union- ministry team and Soph. yr. president.

Callie Golden

- pre-law
- Goodman Campus Baptist Student Union, Holme-Towne Players, member and president of Kappa Alpha Chapter of PTK, Student Support Services tutor, Reformed United Fellowship, soph. yr., Holme-Towne Players, president of Delta Psi Omega, Leadership Institute, and nominated for Legislature Day

Ryan Austin

- pre-physical therapy
- Goodman Campus President's List scholar, Ambassador, Kappa Alpha Chapter of PTK: vice president of leadership- soph yr., Lexington Foundation Scholarship, and President's Scholarship.

Adam Ferguson

- accounting major
- Goodman Campus Sumner's grant recipient, football scholarship and member fresh. & soph. yrs., Most Valuable Special Teams player for football soph. yr., athletic trainer for the women's basketball team, Baptist Student Union, and on BSU Ministry Team: soph. yr.

Taylor Putt

- business administration & accounting
- Goodman Campus Bulldogs football team place kicker: fresh. & soph. yrs., Freshman Favorite, in Phi Theta Kappa Relay for Life Rally participant, intramural sports voted Mr. HCC, punter and place kicker in the MACJC All-Star Game, and Cook Dorm representative for the Student Government Association.

Wilson Browning

- secondary education
- Goodman Campus All-American Scholar Athlete, member of the Kappa Alpha Chapter of PTK: vice president of leadership fresh. yr., Ambassador: fresh. yr., PTK summer leadership conference, vice president of leadership for PTK his sophomore year, sophomore favorite, and attended Phi Theta Kappa Leadership Institute.

HCC Hall of Fame 2009

Robert Thomas Reid

- industrial engineering tech.
- Goodman Campus

Afghanistan Veteran (Operation Enduring Freedom VIII); US Army, Fort Bragg, NC. Skills USA club: soph. yr. reporter, Kappa Alpha Chapter of Phi Theta Kappa, and chosen for Dr. Boyce's Leadership Institute.

Lindsey Little

- associate degree nursing
- Grenada Center

Dean's List Scholar, Freshman Favorite, associate degree nursing class vice president: sophomore yr., member of the Alpha Mu Beta Chapter of Phi Theta Kappa.

Christina Smith

- computer prog. technology
- Grenada Center

Member of the Alpha Mu Beta Chapter of Phi Theta Kappa.

Debra Bills

- medical office technology
- Grenada Center

Member of the Alpha Mu Beta chapter of Phi Theta Kappa fresh. & soph. yrs., Regalia member fresh. & soph. yrs.

Page Elizabeth Shaw

- liberal arts (speech pathology and art)
- Goodman Campus

Delta Psi Omega, Holme-Towne Players, Holmes Community College Chorale, Coachmen, Steel Band, and Kappa Alpha Chapter of Phi Theta Kappa.

Meribrook Osborne

- pre-nursing major
- Ridgeland Campus

Alpha Mu Beta Chapter of Phi Theta Kappa: secretary soph. yr., Ambassador, SGA, sophomore class favorite.

Sarah Smith

- psychology major
- Grenada Center

Member of the Alpha Mu Beta Chapter of Phi Theta Kappa fresh. & soph. yrs., Ambassador, first alternate in the annual Holmes beauty review, sophomore homecoming maid, and a sophomore class favorite.

Denise Carmical

- medical office technology
- Grenada Center

Member of the Alpha Mu Beta chapter of Phi Theta Kappa fresh. & soph. yrs, Regalia member soph. yr.

HCC Hall of Fame 2009

Mary Hoss

- medical office technology
- Grenada Center

Phi Beta Lambda business club member: fresh. & soph. yrs., Wesley Foundation member fresh. yr., Regalia member soph. yr.

Roxanna Ethel Bayne

- general studies
- Ridgeland Campus

Member of Alpha Lambda Sigma Chapter of Phi Theta Kappa, Math and Combined Sciences Club: fresh. & soph. yrs. She plans to major in radiology at the University of Mississippi Medical Center.

Molly Beth Jenkins

- elementary education
- Ridgeland Campus

Student government representative, member of the Alpha Lambda Sigma Chapter of Phi Theta Kappa, Dean's List scholar, and a finalist in the Holmes Beauty review fresh. & soph. yrs., Ambassador: soph yr., a Soph. Homecoming maid.

Kasi Ann Massey

- psychology
- Ridgeland Campus

President's List Scholar, member of the Alpha Mu Beta Chapter of Phi Theta Kappa: vice president of communication soph. yr., Adopt-A-Highway participant with Math and Combined Sciences Club, and Ambassador.

Wendell Johnston

- computer programming tech.
- Grenada Center

Jamel Boatman

- mathematics
- Ridgeland Campus

President's List scholar, member of the Alpha Lambda Sigma Chapter of Phi Theta Kappa, Math and Combined Sciences Club.

Joy McDonald

- elementary education
- Ridgeland Campus

Member of the Alpha Lambda Sigma Chapter of Phi Theta Kappa Honorary Society: chapter president and Mississippi/Louisiana Phi Theta Kappa Regional Reporter her soph yr., recipient of the Mathematics Award in 2007, freshman class favorite, Ridgeland Campus homecoming student body maid, soph. secretary for the Student Government organization, and All-USA Academic Team nominee.

Chandler Rives

- business major
- Ridgeland Campus

Member of the Alpha Lambda Sigma Chapter of Phi Theta Kappa: fresh. & soph. yrs., Ambassador, Campus Baptist Student Union

HCC Hall of Fame 2009

writing on the WALL

Adrienne Wamble

After serving Holmes Community College for 17 years, Adrienne Wamble retired in February, 2009 from her position as Director of Community & Workforce Development for the college on February 1, 2009. "It was very hard to accept Adrienne's retirement," admitted Dr. Glenn Boyce, President of Holmes Community College. "She has been an outstanding leader for this institution and under her guidance our Workforce Department grew into one of, if not the finest, in the state."

Originally from Kosciusko, Adrienne received a bachelors of arts degree in Secondary Education from The University of Mississippi in 1973. She taught English and Latin at Kosciusko Junior High School and worked for A.L. Williams, now known as Primerica, before starting work at Holmes Community College in 1991.

On February 1, 1992, Adrienne was hired as Workforce Specialist for Holmes. "No one knew what we did in 1992," explained Adrienne. At that time the department consisted of one other

employee and they worked in a small office in McDaniel Hall on the Goodman campus. "Things drastically changed with the Workforce Education Act of 1994 and again with the Workforce Investment Act of 1998," Adrienne explained. "With workforce training being the number-one priority on the governor's list, we are no longer strangers within our own colleges," she continued.

Adrienne Wamble earned a master's of science degree from Mississippi State University in 1999, through the Educational Leadership program. In 2003, she was promoted to Director of Workforce Development and also became the Director of the Attala Educational Center, in Kosciusko. Adrienne is also a graduate of the 1996 Community College Fellowship Program and the Leadership Attala Class of 1996. She has served on the Leadership Attala board as well as the Three Rivers Planning and Development District board and Central Mississippi Planning and Development District board. In 1998, she represented Holmes as part of a state team that traveled to Germany to study Vocational-Technical Education. In 2007, she served on both the planning council for the Governor's Workforce Conference and as Chairperson of the State Workforce Directors' Association. Adrienne finds time to volunteer at First Baptist Church in Kosciusko where she is a member of the choir. She also serves as the Luminaria Chairman for the 2009 Relay for Life in Kosciusko. After retiring Adrienne is not slowing down. She says, "I have big plans for retirement. I want to travel, write short stories, publish my Caringbridge journal, continue my artwork, and make a difference in the lives of others through my testimony."

Community College Dedications

Sarah Rounsaville for their years of service to Holmes Community College.

Sarah Rounsaville

Sarah Rounsaville, associate degree nursing instructor at the Grenada Center, was born and reared in Greenville. She is married to Billy Rounsaville from Big Creek and they have two sons, John and Dave, and daughter, Dawn. Dawn, also a nurse, graduated from the Grenada Center's nursing program.

Rounsaville graduated from Mississippi College with a bachelor's degree in nursing in 1970, and received her master's degree in nursing from the University of Southern Mississippi in 1993. She began her career working in Greenville as a public health nurse then taught at Mississippi Delta Community College in their nursing program. After moving to Big Creek she was Director of Nursing at Hillcrest Hospital in Calhoun City. Following this position she began teaching in the LPN program at Holmes. After having receiving her master's degree she started teaching in the ADN program at the Grenada Center.

She loves psychiatric nursing and coordinates students' clinical rotation at Mississippi State Hospital at Whitfield. Rounsaville also frequently goes on medical mission trips to Mexico.

In her spare time she and her husband take their pontoon boat to the Mississippi River to camp and fish for a week at times. After retiring she plans to enjoy her grandchildren and fish. She may also become involved with Hurst NCLEX-RN reviews part time. The Rounsavilles have two granddaughters and one grandson.

Barack Obama becomes the 44th President of the United States of America

Barack Hussein Obama II, born August 4, 1961, is the 44th and current President of the United States. He is the first African American to hold the office. Obama was the junior United States Senator from Illinois from January 2005 until November 2008, when he resigned following his election to the presidency. Obama is a graduate of Columbia University and Harvard Law School, where he was the first African American president of the Harvard Law Review. He worked as a community organizer in Chicago prior to earning his law degree and practiced as a civil rights attorney in Chicago before serving three terms in the Illinois Senate from 1997 to 2004. He also taught constitutional law at the University of Chicago Law School from 1992 to 2004.

Following an unsuccessful bid for a seat in the U.S. House of Representatives in 2000, Obama was elected to the United States Senate in November 2004. Obama delivered the keynote address at the Democratic National Convention in July 2004. During his tenure as Senator, he served on several committees, including the Foreign Relations, Environment and Public Works, Veterans Affairs, Health, Education, Labor and Pensions, and Homeland Security and Governmental Affairs.

After a particularly close campaign in the 2008 Democratic Party presidential primary against rival Hillary Rodham Clinton, he won his party's nomination as a candidate for president, becoming the first major African American candidate for president. In the 2008 general election, he defeated Republican candidate John McCain and was sworn in as president on January 20, 2009.

from Wikipedia.org

"The Democratic National Convention in August was like nothing I've seen in my life. It changed my life and put more history in my life so that I can tell my children about it and what I have experienced."

The Presidential elections the general and the primary were big events for myself and many others this year. This election was the first that I have ever voted on that could change my life and this country; it really meant a lot to me to be young and make a big decision." - Waunita Roberts, Horizons Staff, Goodman Campus Sophomore

"I hope that God will be with him [Obama] and guide him with making his decisions, and that he will not get assassinated." - Dani Matthews, Ridgeland Campus Sophomore

"My hopes and dreams for Barack Obama are that he makes sound decisions. He has a good support system and I hope that he keeps God first." - Briia Ward, Ridgeland Campus Sophomore

"I think he will do good if he doesn't get a big head and start doing the wrongs things." Jerel Seals, Grenada Center Freshman

"Let me start by saying congratulations to President Obama and his family. I honestly think he is for the people not against them. He is going to work hard for the people to get them what they want and what they need. He has also made history by being the first Black African-American President. This gives him a chance to show people how he can run a country and to accomplish all the goals that he has set. This is not going to be an easy process but I feel as if I know that he can do it." - Melinda Sims, Ridgeland Campus Freshman

"I think we as Americans need to get off the race issue and stop worrying about what color he is. We need to back him 100% because regardless of whether or not you voted for him or like him, he is our President. The bottom line is, the man ran for President and was elected. I hope that all the positive vibes that he brought with this whole election will continue throughout his presidency, and he can help turn our country around and pull us out of this economic crisis that we're going through." - Devin Wellborn, Ridgeland Campus

"Sure, we all know how most Americans felt about the election of Barack Obama to the highest office in the world, but how did this election affect the global community? From France and Morocco to Kenya and Japan, the world was jubilant and rejoiced over this historic election. This election could possibly be one of the most memorable world events we see in our lifetime. Not since President John F. Kennedy has a president had this magnitude of support from all corners of the world. Like Kennedy, Obama combines personal magnetism with a strong appeal to world idealism. Obama's dreams are both powerful and timely. In American politics, each generation looks for a renewal. That may come from either party; it is not simply a matter of a swing from the right or to the left. In doing something different, America is telling the world, 'If you don't go after what you want, you'll never have it. If you don't ask, the answer is always no. If you don't step forward, you're always in the same place.' - Jonda Walton, Horizons Staff, Goodman Campus Sophomore

Memorable Events of the 2008-2009 School Year

Holmes students start or continue a college career.

Some HCC students are able to vote for the first time.

Heath Ledger dies-after release of Batman: The Dark Knight
Spice Girls reunite-go on world tour

The Florida Gators win two football National Championships in a row.

Sylvester Croom resigns from Mississippi State, and Dan Mullen takes over.

Estelle Getty dies July 22, 2008 at the age of 85.

Big major companys like AIG failed.

Brittney Spears had yet another comeback with 'Womanizer' and 'Circus.'

Paul Newman died.

On Oct 01, 2008 Congress signed the bailout plan bill.

The US rocked in the Olympics in 2008, held in China.

In October of '08 American Idol winner Jennifer Hudson's mother, brother and nephew were found dead.

Graduation 2009 at Holmes CC!

Bernie Mac died August 9th, 2008.

"TheRapper T.I. will be going to jail for a while- he decided that before he goes he will help change 7 teens lives. He has a show called 'Road to Redemption' and he is trying to show and explain to the teens that he made the wrong choices in life and just because he made bad decision doesn't mean that they have to. I thought this was a really great idea because a lot of young people look up to him and for him to try to turn something negative into something positive; this helps his fans and others see a side that they never seen before. Through him it inspires me as a young adult to keep my dreams alive and don't let others or the bad decision that I may make or have made keep me from being all I can. He has truly touched the lives of others."
- Phenesha Love, Horizons Staff

"As gas and food prices started to rise during the year, other college students and I had to make alot of decisions; such as when to spend and when not to spend.

Saving money has been important to me because I never know what to expect during the financial crisis. This has taught me how to be more responsible and dependable, and has also prepared me for making it in the real world."

- Waunita Roberts, Horizons Staff

Michael Phelps, record Olympic gold medalist swimmer, got caught smoking marijuana out of a bong.

Case continues with Jackson mayor Frank Melton.

Colophon

Holmes Community College's 2008 -2009 Horizons, Volume 80, Consists of 240 pages on a 9X12 trim size format. The book contains 100# enamel paper and smyth binding. All Pages are color.

The 1,750 copies of the book were printed at Taylor Publishing Company, Inc., in Dallas, Texas. Our Taylor Sales Representative was Karen Loden. The in-plant account executive was Milani Arguelles.

The hard lithocote cover reflects on this year's theme "Worth a Thousand Words" Displayed on the cover are words and phrases that depict a bit of what life is like at Holmes.

Advisor Melissa Love and Editor Courtney Richardson developed the design elements and theme of this year's cover.

All pages were composed on Gateway and Dell computers, using the programs Studio Works. The fonts used for this year's yearbook were: Times, Vanguard, Officialtrant, and Wonder. Cardinal and many other colors used were selected within the Studio Works program.

Portrait Images were taken by Southern School Images, whose headquarters are located in Jackson, Ms.

The viewpoints represented in this yearbook are solely of the staff and in no way intended to reflect college policy.

Editor's Note

Courtney Richardson, Editor

As the 2008 -2009 yearbook editor of the Holmes Community College Horizons, I would first like to thank Melissa Love for her hard work and dedication. It would not have been possible without her. I would also like to thank the fall and spring staffs for their hard work. Thanks to all of you for writing stories, info, and taking pictures. Your contribution was very important to us, I would also like to thank Steve Diffey and Amanda Kalahar for jumping in the game to help finish this yearbook on time. You are amazing! Another special thanks to Nan Sykes for helping us come up with catchy slogans and proofing our spreads. Thanks to all of you.

This year's yearbook was a challenge by using a program we knew nothing about. I am very pleased with the way it has turned out. Melissa and I had our good and bad days when it came to down to this yearbook, but I know in the future we will look back at this book and remember all the struggles and take them as if they were walls that we had to learn how to climb over. Producing a yearbook is not an easy task, but we made it through.

I hope that students, faculty members, staff and families look back at this yearbook and remember all the memories they made. I hope that the readers of this book will cherish it and keep it a part of their keepsakes. The college life truly "Worth a Thousand Words."
